## *Star* OF THE WEEK

Muhammad Izzat is an unassuming and quiet student. An extremely respectful and obedient student, Izzat is friendly and well-liked by many friends. In class, he is always attentive, never fails to complete all tasks given and is also a pro-active student. He will look up information the minute his teachers give him a lead and then he will share information with his peers. Izzat is an exemplary student to all and he should shine wherever he goes. Keep up the good job, Izzat!

# Message from the Principal

Dear Parents / Guardians,

Welcome to the first newsletter of 2021! We're off to a great start to Term 1, 2021. A special welcome to our newest and littlest students in prep, and to our new families beginning at Sekolah Rendah Rafflesia Puchong (SRRP) this year. We are very excited to have you in our SRRP community. All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials and updating student files. Our team is gearing up to welcome families and offer other exciting events and programmes. We are indeed a joyous and caring community with the common goals of nurturing responsible, caring students and promoting high level learning.

During this period of school closure, teaching and learning will continue to take place, albeit online. We know how important the continuation of learning is for our young ones and if it takes online engagement to do it right, and safely, then we shall take every step possible in that manner. We remain hopeful that there would be some developments in this area which will allow us to welcome all our students back to school together, and earlier than those dates mentioned.

This is a new year, a NEW beginning and things will change.

Stay Safe.

See you soon.

The poster features a large white outline of a house on a red background. Inside the house, a man and a woman are sitting on a sofa, working on laptops. The background is decorated with stylized virus particles. On the right side, there are logos for the Malaysian government and various social media platforms (Facebook, Twitter, YouTube, Instagram). A QR code is also present at the bottom right.
