Dear Parents / Guardians,

“SELAMAT BERPUASA” I would like to wish all our Muslim families in our community who are observing fasting, prayer, and reflection during the Holy Month of Ramadhan.

The recent spike of COVID-19 cases in our country is being monitored closely by the school. Do rest assured that we have implemented precautionary measures and applied stringent SOPs to ensure the safety of our students in the school campus. We each have a personal responsibility to contain the spread of this virus and I would like to thank all parents for being supportive and considerate towards all Rafflesians in the best interest of our community. Should there be any risk that your family may have been exposed to the virus in whatsoever way, please continue to act responsibly and keep your child at home for a minimum of 2 weeks. Henceforth, external parties will be prohibited from entering our school premise and parents should avoid coming to school if it is not absolutely necessary.
