# Star OF THE WEEK

Joachim is an amazing listener and well-liked by those who know him. He is funny, polite, creative and witty. Being an approachable, easy-going and friendly boy, he is surrounded by friends who look up to him for inspiration.

Joachim is well-loved by all teachers as he is a very responsible student who never fails to complete every single assignment given by the teachers. He displays excellent focus and takes his studies very seriously. He is one outstanding student who has never once incurred the wrath of any teachers. He is an epitome of our school and given his exemplary attributes. He is a joy for anyone who may be acquainted with him.

Congratulations! Keep up the good job!

Dear Parents/Guardians,

In the best interest of our children, we stand united to face the challenges of integrating the effective learning pedagogy via our online lessons to our level best. Anticipating when COVID-19 will end is quite impossible. Therefore we should learn to embrace online learning with an open heart and an open mind because judging from today's reality, we may be in this for the long haul.

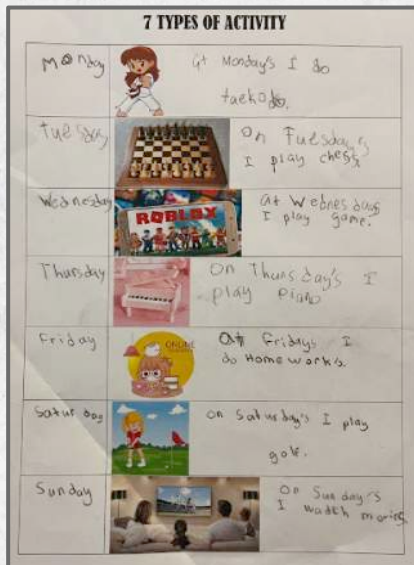

Please be informed that the Pentaksiran Bilik Darjah 2 (Standard 4 - 6) and Pentaksiran Bilik Darjah 3 (Standard 1 - 3) will be held from 27/9/2021 (Monday) to 30/9/2021 (Thursday). A copy of the scope and timetable has been emailed to you and made available in the Parent Portal via Quickschool.

Thank you for your unwavering support and trust in us.
