Star OF THE WEEK 

Meek as a mouse, Shao Qi is not only “unseen”, one hardly hears him. He is such an obedient and quiet student who might go totally unnoticed by those around him. However, he has certainly demonstrated that although he’s hardly noticeable, he has over the years, shown that he is trying very hard to improve himself especially in his academic excellence. . His diligence is commendable. His good and sweet nature traits have earned him good relationship and rapport with friends and teachers. Given the will power, diligence and effort, Shao Qi should bloom in time to come. His effort is exemplary for others to emulate.

Message from the Principal

Dear Parents/Guardians,

In this new norm, you have no choice but to embrace technology with all the glitches and advantages. We see a soaring attendance to our online classes and also notice quite a few getting overwhelmed with the online lessons. Please hold on tight as we brave through this storm again. Hopefully we will be back to school again.

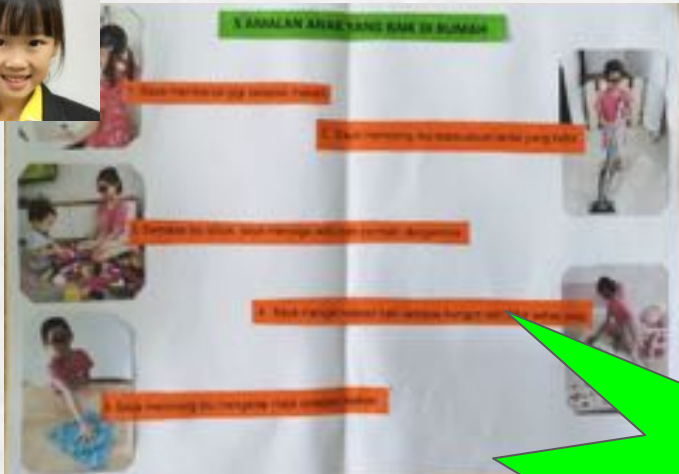

This week witnessed our early struggles as the young ones learnt to navigate through the strenuous process of using an email, retrieving links for exam papers, filling-in online forms and submitting them. Our children have indeed come very far this year! We can do it! Do continue to support your child's learning journey by showering them with lots of empathy, love, care and understanding.

Thank you for your unwavering support and trust in us.
