Star OF THE WEEK

Shazana is a diligent and enthusiastic learner. She is such a natural leader and hard worker, enjoying school and loves working at stations with her friends. Taking pride in her work, always focused and ensuring that all is completed to her level best. She never gives up. She will keep on trying until she gets it! She is making significant improvement in recognising words as her reading skill improves.

Her hard work over the past 7 months is a testament of how far she has come. We have shared many wonderful memories and have had so much fun learning together. We are so proud of how dedicated she is to learning and the achievements she has accomplished so far. It has been an incredible journey and having her in class is such a joy to us.

Congratulations! Keep up the good job!

Message from the Principal

Dear Parents/Guardians,

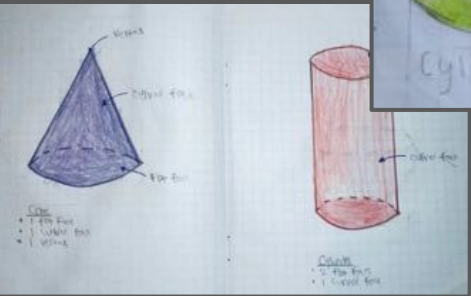

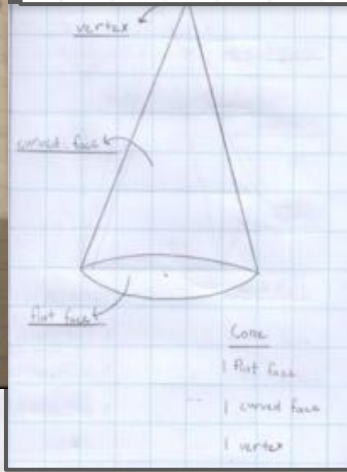

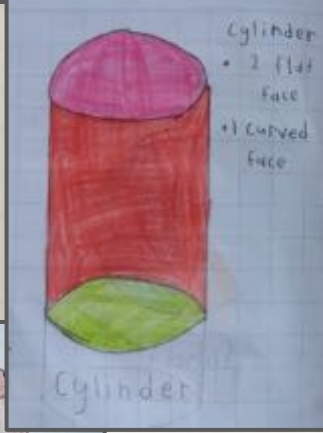

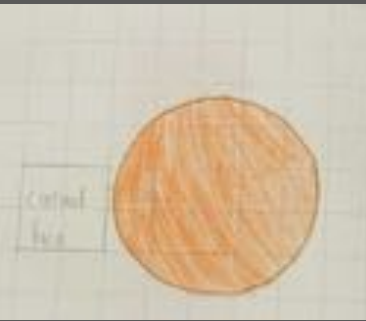

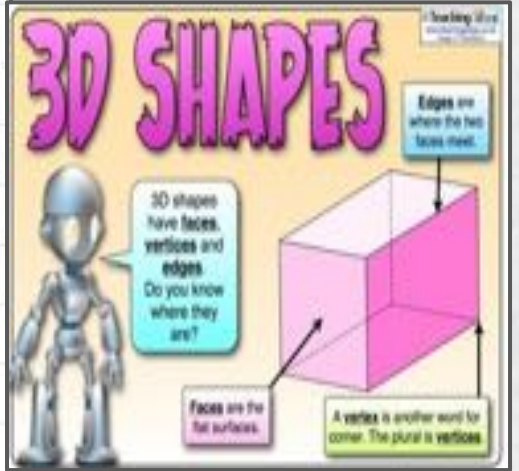

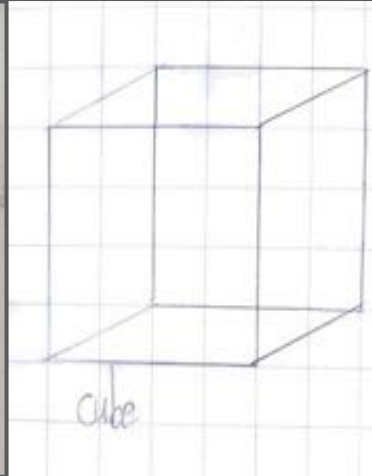

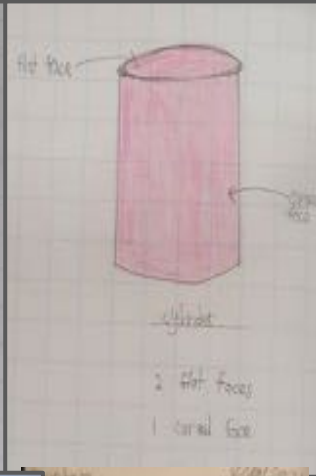

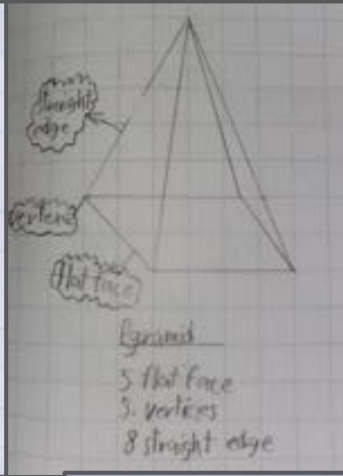

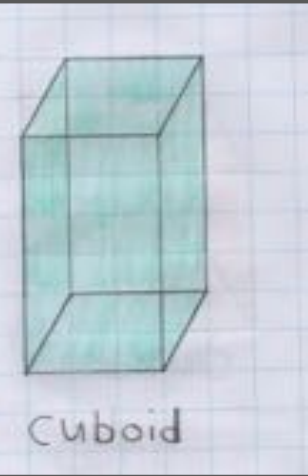

We are ready and looking forward to the day the official announcement for the reopening of schools to be made. Just thinking of them coming in sends warm thoughts to all of us. Let's continue to ensure that the young ones remain alert to this new norms physically, emotionally and spiritually to minimise any negative impact on their well-being.

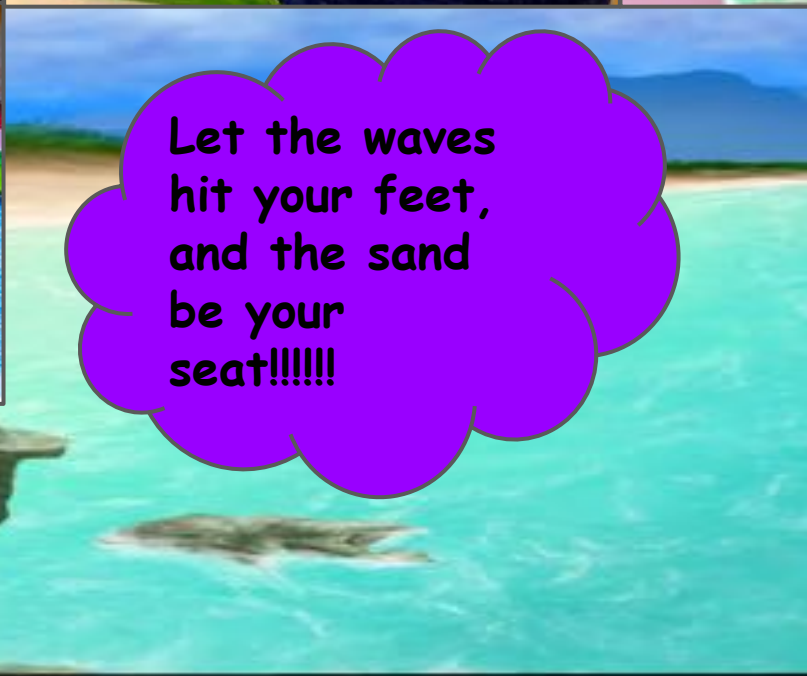

Our exam week has just concluded and we look forward to seeing what impact our online lessons have on the children and how to close the gap appropriately. We are happy to inform you that all report cards have been uploaded to the Parent Portal in QuickSchool. Do have a view and continue to encourage your child on his/her achievements despite the many challenges faced in embracing the new normal.

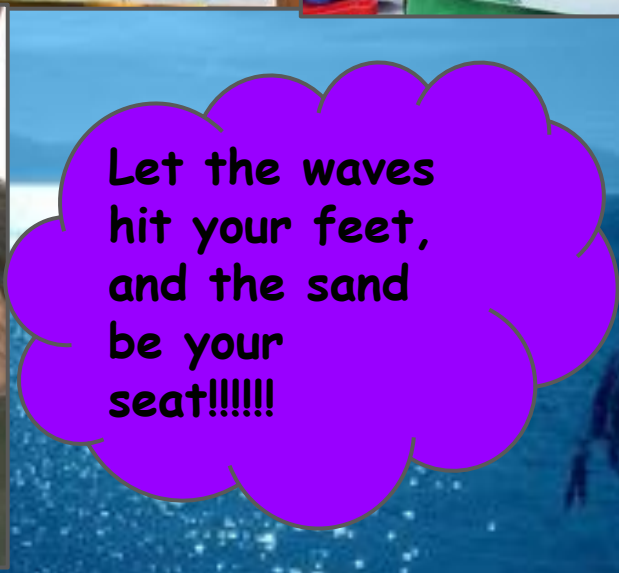

Thank you for your unwavering and continuous support.
